<b>Oak Hills High School</b>	
<b>Contractual</b>	
<b>General questions</b>	Healthcare open enrollment dates - who sets these dates? <a href="#">SWOOSH sets all the health insurance dates.</a>  Field trips at end of the quarter? Concern that continues to arise each year... due to tests given etc. (committee already created to assist with this concern) What happened to one schedule disruption a week? Tartan time should have been cancelled if another scheduled disruption the same week
