Building Information

C.O. Harrison Elementary School	
Contractual	
General questions	Temperatures in building -
Other	

Delshire Elementary School	
Contractual	
General questions	-Frigid temperatures in several buildings (DEL - both boilers were out when we returned from break) -Plan for addressing this in future? Can staff member check the day prior to ensure it is on?
Other	

Oakdale Elementary School	
Contractual	-Evaluation questions written above
General questions	-Alt.Assessment changes - flow and numbers being changed according to the new law... what will this have an impact on? Especially if the numbers change the case load divided up by teacher/IVS/etc.
Other	

Rapid Run Middle School

Contractual	
General questions	
Other	*teaching 2 models* -Difficult for teachers to continue putting forth our best effort and keeping up with our own high standards while juggling both teaching models (in person and quarantine students) at the same time. Exhaustion and low morale are taking a toll.

Oak Hills High School

Contractual	
General questions	
Other	-Timeliness of the exam practice schedule. Could it have been released sooner to allow for planning?

General

Contractual	
General questions	-Frigid temperatures in several buildings (DEL - both boilers were out when we returned from break) Plan for addressing this? -Possibly train extra person (in addition to head custodian) so that this can be addressed in a timely manner
