Building Information

Oakdale Elementary School	
Contractual	
General questions	5-10 days of interest made on our American Fidelity flex spending??? We send payment upon processing payroll & this is not immediate (nor is it with any vendor payment to ensure accuracy/reconciliation).
Other	

Springmyer Elementary School	
Contractual	
General questions	Spanish immersion....TBD Immersion is only offered at Oakdale, JFD, and COH. Should there be a waiting list at any of those three schools, students who attend one of the three have priority to request an intra-district transfer to an open slot. If there are still open slots after that, a student from either SPG or Delshire may request an intra-district transfer.
Other	

Oak Hills High School

Contractual	
General questions	<p>Are the department meetings going to be paid for staff who attend? The district will still offer summer curriculum work, revision of curriculum maps, alternative school credit recovery, Jumpstart, etc...</p> <p>With ESSER III federal funds available, there was conversation concerning summer school but the decision has been made that interventions, closing learning gaps, and enrichment opportunities will be discussed with building level leaders once test results return in late June. Using data points and state tests results, plans will be discussed for opportunities to close learning gaps and interventions once we return in August.</p>

General questions	<p>MS Encore classes - including Spanish Immersion numbers are continuing to be looked at</p> <p>OTES - data points... across the district ... What are truly the pieces of data that drive your instruction... Discussions will happen and decisions will be made accordingly Clarity is still coming from ODE Datapoints can be changed after one school year</p>
