 - Application - [TAAA application](#)
- VII. **New Business**
 - PTA organized School Board Candidate Forum. This election will have a direct effect on our jobs. OHEA begins negotiations next year with a new majority on the board. Please wear OHEA blue to be noticed. Encourage members to attend the Meet the Candidate night on Sept. 30 @ OHHS
 - 6 candidates running for the election for the open 3 spots
 - Doug Dean
 - Rich Haffey
 - Corey Hatfield
 - Bart West
 - Dani Ventri Sterhle
 - Mischelle Philpot
 - All School Board candidates will be invited to speak at the October Rep meeting here at the high school. Please attend if interested. Letters to candidates will be mailed soon.
 - OHEA clothing store. Items ordered should arrive in October
 - Glenn Corson district "training". Not part of the district required training. Putting ohlsd.org across the top is deceiving teachers into believing they are required for

each employee.

- Healthcare rates have dropped for next year. Willing to meet with building/individual members to help break down the difference between HSA/regular healthcare coverage and which plan better suits you and your family. If a building wants a meeting, we can do that as well.
- Dental insurance coverage may have changed. Dental Care Plus was purchased and the new owners have begun changing their payment procedures and in network dentists. Please call your dentist prior to visit to ensure your insurance is accepted.
- Members please check your stub - mistakes happen but first withdrawal of dues is in November and last one is June.

General questions	<p>Elementary Guided Reading Leveling Corey Kessler spoke with building principals and each building was supportive of using subs as one of the tools in the toolkit that may be used to complete the BAS (Benchmark Assessment System). Securing subs is an ongoing challenge in our district and across the state. Because of this, Oak Hills will need to be thoughtful regarding relying on subs to accomplish this work. When principals met, we discussed the need to be up front with teachers and ensure all parties were aware that if classrooms are uncovered teachers would be asked to work with their students and allow the sub to cover the uncovered classroom.</p> <p>Quarantine work Quarantine work provided on Google Classroom while student is not in class</p> <p>Emails from Glen @ Varteck Glen will now include in his communication that the trainings are recommended</p> <p>WEP writing *communicated to the teachers involved from administration*</p> <ul style="list-style-type: none"> ○ For teachers who need to write WEPs <ul style="list-style-type: none"> ■ Elementary - GIS in elementary will write all WEPs for our students in the elementary schools ■ Middle - Teachers who need to write WEPs are to use their P/C and work with their building administrators to access their building substitute who may cover their class while they complete this work ■ High - Teachers who need to write WEPs are to use their P/C and work with their building administrators to access their building substitutes who may cover their class while they complete this work ○ All WEPs must be completed by Friday, October 15, 2021
