C.O. Harrison Elementary School	
Contractual	
General questions	
Other	Music supplementals addressed ... inconsistent across all elementary schools Under advisement for upcoming contract time.

Oak Hills High School	
Contractual	
General questions	Distance Learning Plans being included in the IEP paperwork. This document is not needed now that remote learning is not in the district's plans. Much of the information is repetitive and can be found in the IEP. - until the board changes their covid attendance policy, this will be included in the paperwork. Most likely, a PWN will replace this form in the future. More info to come in the near future. Until the policy changes, they will need to stay in place.
Other	Inconsistency with illicit substances and students caught with illicit substances? Some are repeat offenders. Discussed and will be looked into further.

Other	Rotation on PD days so that they are not always hosted at the same school (COH) for elementary schools. Under advisement for next year. Check your pay stub for HSA funds - Make sure your accounts are balanced
