 - Healthcare rates released. Oak Hills was the only district to lower rates.
 - OHEA will have virtual Q & A regarding high deductible vs. PPO plans and what plans may benefit you.
 - Heat day clarification. State guidelines...
 - Thanks to all who completed the heat survey of our classrooms. Only 2 days that week had students in the classroom. 37 responses registered temps above 90 degrees. 11 classes were at Delhi Middle, 18 were at High School. 95° was the record high registered at the High School on 8/21.
 - Board of Education meetings are not live streamed. They are taped and posted online 1-2 days after the meeting. Link is: <https://www.ohlsd.us/boe-meetings/>
 - Board finally voted to start looking at adding air conditioning. Article linked [here](#).

- False newsletters appearing to come from OEA President Scott DimMauro is actually from the Freedom Foundation whose goal is to remove Unions from Ohio. It is a false letter attempting to trick you into quitting the union. It is not a real statement invoice. Very dirty, new tactic this group is starting. Please read the fine print before you sign anything. [An example of the letter is linked here:](#)
